

**2009 Sierra Mountain Soccer Club
Labor Day Weekend Tournament
September 5-7, 2009**

PHILOSOPHY FOR THE TOURNAMENT

Teams are invited to participate in order to hone their skills and develop team concepts in a friendly, yet competitive environment. As an early season experience, emphasis for all teams should be on player development, team building and enjoyment...not winning at all costs!!!!

All matches will be played according to the FIFA Laws of the Game, as modified by US Youth Soccer (USYS) and the Nevada Youth Soccer Association (NYSA)/United States Youth Soccer of Nevada (USYSNV) as described herein.

All properly registered teams in good standing with USYS or US Club Soccer and Nevada Youth Soccer Association are eligible to compete in the tournament. Competition will be available for both boys and girls teams in the U10-U14 age brackets. Eligible players in all age groups are those players whose names appear on the team's official league roster for 2009-10 or US Club Soccer Travel Roster. No select or tournament teams will be allowed to participate.

REGISTRATION

Check-in will take place from 6:00 to 9:00 PM on Friday, September 4, 2009. All teams will be notified of the location at a later date prior to the tournament weekend. A representative from each team must attend registration. All teams must provide the following at registration:

- Copy of each player's birth certificate
- Official league roster or US Club roster
- Guest player forms (up to five guest players allowed per team)
- Jersey number for each player (must match each game roster)
- Medical release form or 2009-10 USYS registration form

SCHEDULE

Each team is guaranteed at least three matches except in circumstances outside of the Tournament organizers' control that prevents games from being played, as discussed below. Championship finalists will be determined by the results of the first three matches unless the number of teams in a bracket requires different scheduling and results determinations. Matches will be played at the Riverview Complex in Truckee, California. A map to the fields will be posted on the Tournament web page in late August. The Tournament organizers reserve the right to combine divisions if the number of teams registering to play requires it. Teams will be contacted if this process is necessary.

TOURNAMENT FORMAT

All age groups (unless number of teams in an age group determine differently) will play round robin format within their flights. Flights may be comprised of one or more brackets. The top two teams from each flight will play for the championship on Monday. Each team will play a minimum of three matches unless circumstances outside of the Tournament's control occur. In such event, the Inclement Weather/Unexpected Termination of Play rules will be applied. Each team will play two matches on Saturday and at least one match on Sunday. The final matches will all be played on Monday morning.

EJECTIONS

USYSNV rules prohibit any coach, team official or player ejected from a match, or suspended by the proper authority, to be within sight or hearing distance of the field of play during his/her suspension. A player receiving two cautions (yellow cards) in a single match is considered to have been given an ejection (red card). A player who has been ejected (sent off), shall not be replaced and shall miss the remainder of that match and the next match. The coach/team official shall forfeit the coach, team official or player pass to the Center Referee for ejections. The Center Referee will give the pass and the match report to the Field Marshal. The coach, team official or player in question shall be ineligible until the pass is returned by the Tournament Committee. Any coach or team official who is coaching more than one team in the tournament and is suspended on one team is automatically suspended from any other teams until the suspension has been served for games of the team on which the coach received the suspension. A coach, team official or player who has been ejected for VIOLENT CONDUCT shall not be allowed to participate in the next TWO scheduled matches. FIGHTING will not be tolerated for any reason. Coaches, team officials, players or spectators ejected for fighting (striking or attempting to strike another coach, team official, player or spectator) will not be allowed to participate in any further tournament matches. Coaches, team officials, players or spectators who enter the field of play for any reason in the event of a fight will be ejected from the tournament. If the coaches, team officials, players or spectators cannot be identified, the entire team will be removed from the tournament. No refunds will be made to any team that is removed from the tournament for fighting or for any other reason. If, in the opinion of the Center Referee, a match must be terminated for misconduct because of players, coaches or spectators, the offending team forfeits that match and will be suspended from further play. All subsequent matches will be deemed forfeits. Previous points earned and any awards or other considerations will be forfeited. In addition, the team's home league and State Association will be contacted. Any verbal abuse directed at committee members, referees or other volunteers also will result in ejection and suspension. Referees have complete authority during all matches and will not allow abusive or profane language, threats of any kind, or any style of play that detracts from the game of soccer.

ALTERNATE MATCH SCHEDULING

The Tournament Committee has the authority to alter the schedule, move matches to the next day or move match sites for the good of the tournament. All matches will be played, if at all possible.

EQUIPMENT

- All players are required to wear shin guards under socks.
- No jewelry may be worn in competition.
- Players shall wear approved boots.
- All players must wear numbered uniforms with no duplicated numbers on a team. • If a player wants to play with a cast (hard or soft), the player must have a physician's release, must pad the cast appropriately, and must present to the referee for an inspection of the note and cast prior to the game.
- If a player wants to play with a hard knee brace, then the brace must be made of soft, yielding material, with hinges covered on all sides. The ultimate decision as to whether the player may play will be left to the discretion of the referee.

Any player entering a game whose equipment does not meet these requirements will be sent off the field until the requirement is met. In the referee's discretion, the player may also be cautioned by the referee.

HOME AND VISITING TEAMS

The home team is listed first on the schedule. The home team shall wear white or other light-colored jersey. The visiting team shall wear a dark-colored jersey. In the event of a jersey color conflict, the home team must change jerseys. The home team will supply the match ball (subject to referee approval). Each team manager/head coach is responsible for ensuring that all garbage is cleaned up after each match on both the team and spectator sides of the field. In the event that the spectator side of the field is not cleaned up after a game, then both teams may be sanctioned.

SPECTATORS

Spectators shall conduct themselves in an appropriate manner at all times. No smoking, alcoholic beverages, illegal drugs, or pets will be allowed within the field areas. No spectators shall be permitted behind the goals. Absolutely no verbal abuse of players, coaches, referees, other spectators, or Tournament personnel will be tolerated. Spectators who fail to abide by these rules will be required to leave the field area.

COACHING

All head coaches are responsible for the conduct of their coaches, team officials, players and spectators at all times. Coaches may coach (giving directions to one's own team on points of strategy and position) from the sidelines. Abusive or derogatory comments to the players, coaches, referees, spectators, Tournament staff and use of profane language will not be tolerated.

PRE-MATCH CHECK-IN

Teams must check-in with the Field Marshall at the designated location for the field on which they are scheduled to play 30 minutes prior to the scheduled start time of the match. At this time, the Field Marshall shall inspect player equipment, check player passes, and complete match cards. The Field Marshall will keep the player passes for both teams in their possession during the match.

POST-MATCH RESPONSIBILITIES

Immediately after each match, the head coaches from each team will sign the match card in front of the referee, attesting to its accuracy (score, identity of players injured, cautioned or Ejected). Any dispute regarding the score of a game or identity of a player cautioned or ejected must be written on the card at that time. The Field Marshall will make sure that the match card (and any player/coach passes of players/coaches who have been ejected) is taken to the Tournament Headquarters to be posted on the scoreboards. Each team is responsible for getting its passes back after their game from the Field Marshall.

REFEREES

All referees are certified by US Soccer. All referee decisions are final and not appealable. Nevada Revised Statutes 200.471 and 200.481, enacted in 2005, makes it a crime to threaten a sports official, verbally or physically, which carries a fine of up to \$2,000 and one year in jail. If the sports official suffers severe bodily harm, the offender may be imprisoned for up to 15 years and fined up to \$10,000.00.

FORFEITS

Any team failing to check-in at least 15 minutes prior to their scheduled kick-off time or failing to report ready to play within five minutes of scheduled kick-off time may forfeit their match in the discretion of the Tournament organizers. All teams must have a minimum of seven players present and ready to play to start the match. Teams who have forfeited a game may continue in the Tournament.

SUBSTITUTIONS

Substitutes will check in with the Assistant Referee, who will signal the Center Referee when appropriate. Substitutes shall wait at the center line approximately one yard behind the touch line until the Center Referee signals them to enter the field. Unlimited substitutions will be allowed in all age groups only at the following times:

- Prior to throw-in by the team in possession.
- Prior to a goal kick by either team.
- At half-time.
- After an injury stoppage.
- After a goal is scored by either team.

NOTE: If a coach goes onto the pitch to tend to an injured player, that player must leave the field until next reentry opportunity, or the coach may bring on a substitute.

PROTESTS

No protests will be allowed!!! All decisions made by the referees are final.

AWARDS

Each player/coach will receive a tournament pin. After all final matches, first and second place teams will receive individual player/coach awards. Awards will not be mailed to teams that fail to stay for the awards presentation for their flight.

INCLEMENT WEATHER OR UNEXPECTED TERMINATION OF PLAY

Matches will be played in all weather conditions, unless the Center Referee or Tournament Director determines the conditions are dangerous and/or life threatening as per FIFA/USYS/USYSNV regulations, or may cause severe damage to the fields. The Tournament Committee will do everything in its control to make sure all matches are played. In the event that the further play is terminated, the standings at that time will be final. No refunds will be given. If a team forfeits or is suspended by a referee, the other teams scheduled to play in that team's remaining matches have no right to a refund.
